Software Engineering and Problem Solving Environments for Scientific Computing

June 17, 2004

Minisymposium organizers
Jose C. Cunha
Univ. Nova de Lisboa, Portugal
Omer F. Rana
Cardiff University, UK

16.00-16.20 Software Engineering Issues in Implementing PSEs for Aerospace Engineering, Andreas Schreiber, DLR/Germany Aerospace, Germany

16.40-17.00 Benno Overeinder, Vrije University, Amsterdam, The Netherlands "Scalable Middleware Environment for Agent-Based Internet Applications"

17.00-17.20 Peter Sloot, University of Amsterdam, The Netherlands "Sweeping Parameters"

17.20-17.40 Carmela Comito, DEIS, Universita della Calabria, Italy "A General Architecture for Grid-Based PSE Toolkits"
